Pueblo Moccasins

Desert Son offers a fine line of handcrafted moccasins based on traditional designs and boot making techniques of the Southwestern Native Indians. Our moccasins reflect comfort and durability, unlike most moccasins on the market today. The special tanned rawhide soles are hand stitched to top leather using an inside (invisible) stitch method

Ranger Sets
Gold & Silver Indian Jewelry
Zuni Fetishes
Concho Belts

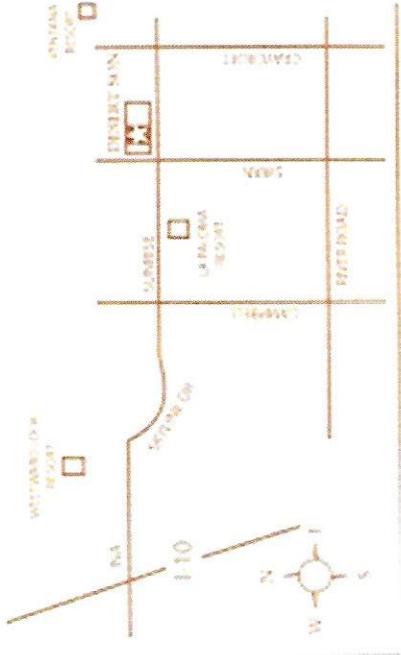

The Rainbird is 14" high. We can make these up to your knee. We require calf measurements for every inch above the standard, up to the desired height, in order to make a custom pattern.

The cost is \$7.00 per extra inch.
